**17.3.2020**

Please be advised that all EUA staff are now working from home with immediate effect. I am sure you have the contact details for your team but, if not, do drop us an email [mail@eua.org.uk](mailto:mail@eua.org.uk), we will respond ASAP.

Thanks to technology, it is business as usual for us. We can access all files and emails wherever we are, and can hold calls, video calls and meetings online, or any other platform of your choosing.

Our phones are diverted to our mobiles so your queries and those of the press and other contacts will be dealt with promptly.

If you have any questions or concerns, please email [mikefoster@eua.org.uk](mailto:mikefoster@eua.org.uk)

In the meantime, take care, stay safe – and best wishes from everyone at EUA.
